My Prayer For You

Dear Heavenly Father,

I lift up to you the person who is reading this book right now. I ask you Lord to cover their heart and mind with the blood of Jesus. Give them a new hunger and thirst for seeking you in your word, spending time with you in prayer and loving you by loving others with your agape.

Lord, please touch this reader and fill their heart and mind with hope so that they can freely dream again. Heal them Father and remove all disappointment, pain and fear from their heart.

Dear Lord, please place your love, peace and joy deep within their soul and strengthen them to courageously believe in you for great things to happen in their lives. Reveal the greatness of your love. Show them your loving kindness and crown them with glory and honor. Reveal the dreams you have placed in their heart. Cause them to dream again, dream big and give birth to the impossible in their lives.

In Jesus Name, Amen .

*Now to Him who is able to do exceedingly
abundantly above all that we ask or think, according
to the power that works in us.*

Ephesians 3:20

Introduction

But Jesus looked at them and said to them, “With men this is impossible, but with God all things are possible.”

Matthew 19:26

The Bible clearly states that “With God all things are possible.” In Luke 18:27 Jesus announced, “The things which are impossible with men “Are” possible with God.” Jesus taught his disciples that with God and by faith anything is possible.

These verses may sound familiar, but very few believers live by the truth of these words. We have been so conditioned by society, social media, our current environment and past mistakes that we have subtly denied the power of God’s word to turn our impossible situations around.

Ask yourself have you limited the power of God in anyway?

- The media reports the country is in an economic recession. So instead of believing that God can supernaturally bless your business or increase your finances, you decide to scale back and settle for barely getting by.
- Because of your credit score you are denied a home loan so instead of increasing your faith to own a home debt free you replace your dreams of home ownership with an apartment on the nice side of town.
- The recent statistics states that women over a certain age are less likely to get married so instead of believing God for a loving, faithful, supportive mate you give up your hopes of ever getting married and tell yourself there are no good men available.
- The doctor tells you that you have an incurable disease and instead of believing God for total healing and wholeness in your body you resolve yourself to live on medication for the rest of your life and hope for the best.

Ask yourself are you believing the report of the enemy or standing in faith on God's word? Have you allowed yourself to be paralyzed by the giants you see in your promised land? Are you living your life with the assurance that God will do great things for you or have you decided to just get by and hope for the best? Are you moving your mountains and walking by faith or have you allowed your mountains to move you into the land of frustration, hopelessness and stagnation.

God has great plans for you and He has promised in his word to release supernatural power in your life and on your behalf if you choose to believe in Him.

All things are possible to him who believes. It is possible to be debt-free, enjoy loving relationships, have a healthy body, own your home, be fulfilled in your career, own and operate a successful business. All of those things are possible and more by faith and with God.

God's Success Formula

You can choose today to live the abundant life. It is possible for you to fulfill all of your dreams and do all the things that God has placed in your heart to do. God is on your side. He loves you and wants to do good things to you and through you.

God loves you so much that He gave you a fool-proof secret to success. This success formula is found in the Bible in book of Joshua. Joshua 1:8 God gave clear instruction on how one could live a blessed life, become successful and live in prosperity and abundance.

God said to Joshua before he began his battle to possess the promise land for the people of God, "This book of the law shall not depart out of your mouth, but you shall meditate on it day and night

that you may observe to do all that is written in it. Then you will make yourself prosperous and then you shall have good success.” There you have it the God given secret to success.

How To Use This Prayer Book

This book is designed to assist you in incorporating the principles of Joshua 1: 8. In the next 30 days you will be provided a scripture, a confession of faith and a daily prayer all designed to inspire your hope and build your faith in the word of God. These powerful scriptures will stir up your ability to dream bigger and increase your expectation of God to perform miracles in your life.

Make the three of these a part of your daily routine. Spend time meditating on the scriptures, think on them throughout the day, let the word become alive in your soul and talk to you. Be consistent in planting the seeds of God's word in your heart. This will allow the reality of His willingness and ability to do great things for you to remove all of the doubt,

fear and unbelief that has held you captive in the past.

As you spend time with God and His word in this way, you will begin to see yourself and the obstacle around you differently. The light of God's truth will release His power in your life to do the impossible. The goal here is to recondition your heart to believe that anything is possible and that you can do, be or have anything you desire.

During the next couple of weeks you will find your faith, hope and expectations increasing. You may also begin to hear the voice of God leading you. The Holy Spirit may speak to you in a number of different ways. He may start by answering questions you have concerning His word. He may also give you new insight into a situations you have at home or work. God may nudge you to try something new or you may feel empowered to make a significant change in your life. Whatever you may experience know that it is all a part of your growing relationship with God and it is an important component in your journey towards your dreams. So when god speaks... Obey.

So, for the next 30 days I challenge you. I challenge you to dream, dream and dream some more. Take

the limits off of your imagination. Remove all boundaries and inhibitions and expand yourself. Get a journal and tell the Lord what you really want, ask Him to reveal His will and plans for you.

Write them down. Record everything you think and hear. Read and meditate on your scriptures daily. Make your confessions at least three times a day. Press into God like never before. Talk to Him and let Him talk to you. And do it all with the knowledge that with God all things are possible. And all things are possible for you too, if you can believe.

Happy Believing,
LaTania Michelle

all things are possible to him who believes."*

Mark 9:23

Great Plans For You

For I know the plans I have for you,” declares the LORD, “plans to prosper you and not to harm you, plans to give you hope and a future.

Jeremiah 29:11

The success that God has planned for you is far greater than the success you desire for yourself. His thoughts are higher than your thoughts and His ways are higher than your ways. God has plans for you to succeed and to have a happy and beautiful future.

So let's say you do have big dreams. You see yourself achieving great things. You aspire to great wealth and you have thoughts of accumulating a substantial fortune. Even if you can see yourself living the lifestyle of the rich and famous or of starting a great movement and changing the world,

God still wants more for you. More than you could ever imagine.

Have you ever noticed that God uses words like surpassing greatness, unlimited and exceeding when He talks about His love for you. He also uses words like abundance, plenteous and overflowing when He talks about how much he wants to bless you.

Jesus said that He came to give you life and to give it to you abundantly. In the amplified bible it reads this way, “The thief comes only in order to steal and kill and destroy. I came that they may have and enjoy life, and have it in abundance (to the full, till it overflows).

Wow what a personal mission statement Jesus gives here. He said that He came to mankind so that we could have life and enjoy it to the full.

So, if this is the reason Christ gave as one of his objectives here on earth, why is it that so many Christians live unfulfilled and joyless lives? I am not totally sure. There may be many reasons. But I do know that God has big dreams for you. He also has an amazing plan to fulfill those dreams. The problem is that god can't do any of the things He

has planned for you until you begin to agree with him and take the limits off of what you believe He is willing and able to do in your life.

Today, God is asking you to begin to dream bigger. Dream bigger than you ever have before, start reaching for stars. Don't be afraid, you can't out dream God. But He thinks it would be fun to see you try.

Hearing The Voice of God

“And when he puts forth his own sheep, he goes before them, and the sheep follow him: for they know his voice. And a stranger will they not follow, but will flee from him: for they know not the voice of strangers.”

John 10:4

Did you know that God is always speaking to you? Yes, He is and he does so in two distinct way. One way God speaks to you is through his word. As you spend time reading your Bible, the Holy Spirit begins to make the word of God come alive. You begin to have more understanding of the passages you read in the word. They start making more sense to you. As you read the word it also begins to answer questions you have had about specific circumstances and situations you have in your life.

Over time your Bible becomes a trusted source of wisdom, instruction, and guidance. Your Bible will become as comforting as a good friend, you will find healing, peace and joy all hidden in the pages of God's written word.

Another way God speaks to you is through the still small voice you hear in your heart. Have you ever had a hunch? How about a funny feeling or a thought that keeps running across your mind? Often this is God speaking to your spirit by His Holy spirit. You may not have recognized his voice but He is always speaking to you in this way, guiding you gently by His Spirit.

The more you respond to His voice the clearer His voice will become. When you spend enough time with God in his word and in prayer, you increase your ability to hear and recognize His voice. This takes time but like any other step of faith is it life-changing and extremely rewarding. Learning to hear and obey the voice of God will be a vitally important part of turning your impossible situations around and in manifesting your dreams. So begin to listen out for the voice of God speaking to you today and obey everything you hear. He will work signs and wonders in your life as you do.
